October 26th - November 5th 2016*

OCTOBER 27TH - 28TH 2016, NEW DELHI, INDIA

2016 UILI LABMEETING

Dear laboratory friend,

It gives me great pleasure to invite you to attend the '2016 UILI LABMEETING – Governing Board and Working Group Meetings' that the International Union of Independent Laboratories (UILI) will organize on October 27 and 28, 2016 in New Delhi, India.

Our Event will be organized during the ILAC-IAF Joint Annual Meetings and has the purpose to include the possibility to attend certain parts of the ILAC program. UILI will accommodate a Meet and Greet as one of ILAC oldest supporters straight from the start.

Our '2016 UILI LABMEETING' should be seen as an initiative to raise awareness for the importance of the laboratory industry societal level. From this perspective, it also forecasts composite talks: many social and economic aspects of laboratory testing do pass in review by prominent speakers from around the globe. I refer to the website of UILI (www.uili.org). There you can find all information and documentation concerning the activities.

UILI members, ILAC-IAF members and other beneficiaries I would like to welcome to our afternoon event and Meet and Greet party. I express the expectation that the '2016 UILI LABMEETING' will give a valuable contribution to the image and authority of the laboratory industry and the ILAC-IAF Joint Annual Meetings in India.

Yours sincerely,

UILI - Union Internationale des Laboratoires Indépendants

On behalf of the Governing Board,

Drs L.H.A. Scholtis
14th UILI President

UILI LABMEETING WELCOMES

The UILI LABMEETING Friday october 28th afternoon Meet and Greet the Stakeholders is open to all UILI Members, representatives of laboratories and laboratory associations and ILAC / IAF members and their stakeholders.

UILI invites all registered attendees of the 2016 UILI LABMEETING at the Gala diner.

The Union Internationale des Laboratoires Indépendants (UILI) is an international organization representing the laboratory industry. Established in 1960, UILI membership includes over 1000 laboratories through Member Associations as well as individual ordinary Members.

PROGRAM 2016 UILI LABMEETING

GOVERNING BOARD AND WORKING GROUP MEETINGS

08:30 – 12:00	Tuesday November 1	ILAC Laboratory Committee
13:00 – 17:00	Wednesday November 2	ILAC General Assembly
18:00 – 22:00	Thursday November 3	Signing Ceremony & Farewell Reception

DATE AND PLACE

From Wednesday 26th to Friday November 4th at the The Lalit Hotel, Barakhamba Avenue, Connaught Place in New Delhi, India.

UILI LabMeeting Meet and Greet the Stakeholders Friday October 28th, 2016 (from 2:00 PM to 5:30 PM)

CALL FOR PRESENTATIONS

We would like to invite you at our event. In that context you will find useful information on our website. Please e-mail to secretariat@uili.org if you would like to be a speaker at the 2016 UILI LABMEETING. Please submit your proposals for presentations before August 20, 2016 and register at www.uili.org.

CALL FOR SPONSORS

Given the worldwide nature and perspective of this meeting, we consider it to be a good opportunity for international suppliers to the laboratory sector to be represented in such a relevant event. For this reason if your company is interested in being one of our main sponsors, together with other influential companies from our sector please contact us by sending an e-mail to secretariat@uili.org and we will provide you all the information about it.

REGISTRATION

Interested parties can register until October 1, 2016 as a participant through online registration form via the website UILI: www.uili.org or by sending an e-mail to the UILI secretariat (secretariat@uili.org).

ILAC / IAF MEETING

If you would like to register for the ILAC / IAF Meeting, please register directly on the website www.iaf-ilac2016.org.

COSTS

- Culinary Classes, Henna, Saree drap. Turban tying € 25,00
- Thursday evening tour € 100,00
- Visit to Central cottage emporium € 10,00
- LabMeeting Free of charge, registration needed
- Welcome reception at Lalit € 100,00
- Tour Taj Mahal - To be confirmed
- New Delhi's city tour - To be confirmed
- Signing Ceremony & Farewell Reception € 90,00

2016 UILI LABMEETING SPONSORS

ABOUT UILI

The Union Internationale des Laboratoires Indépendants is the worldwide organisation for independent testing and calibration laboratories and for independent consultancy organisations.

Besides receiving regular information on developments of interest to members, their interests are represented at international forums such as ILAC, ISO and UNIDO.

The Union Internationale des Laboratoires Indépendants was registered in France in 1961 as an international association of independent laboratories and consultants. UILI operates under the terms of its Constitution adopted, under its current form, by the 26th General Assembly held in Buenos Aires on September 17, 2015.

A Governing Board, elected by the Ordinary Members through their Member Associations, exercises policy control over all UILI activities. Independent Laboratories and consultants may enjoy membership of UILI either through membership of a Member Association, itself being recognised by UILI, or by individual non-affiliated ordinary membership.

The Constitution permits ordinary membership within a country that has a recognised Member Association. In addition, to accommodate the breadth of scientific disciplines that seek membership of UILI, the constitution permits more than one Member Association per country.

The present membership represents over one thousand laboratories offering a diverse range of laboratory testing and consulting services. UILI has members throughout Europe, North- and South America, Africa and the Middle and Far East.
