

One single international
organization for accreditation
project to form the New body

Emanuele Riva – *IAF Chair*

ILAC-IAF

Don't Confuse Movement With Progress.

Just because you are doing a lot more, doesn't mean you are getting a lot done. *Denzel Washington*

Don't forget why we are doing this.

People Planet Prosperity

For difficult challenges it is necessary to be together

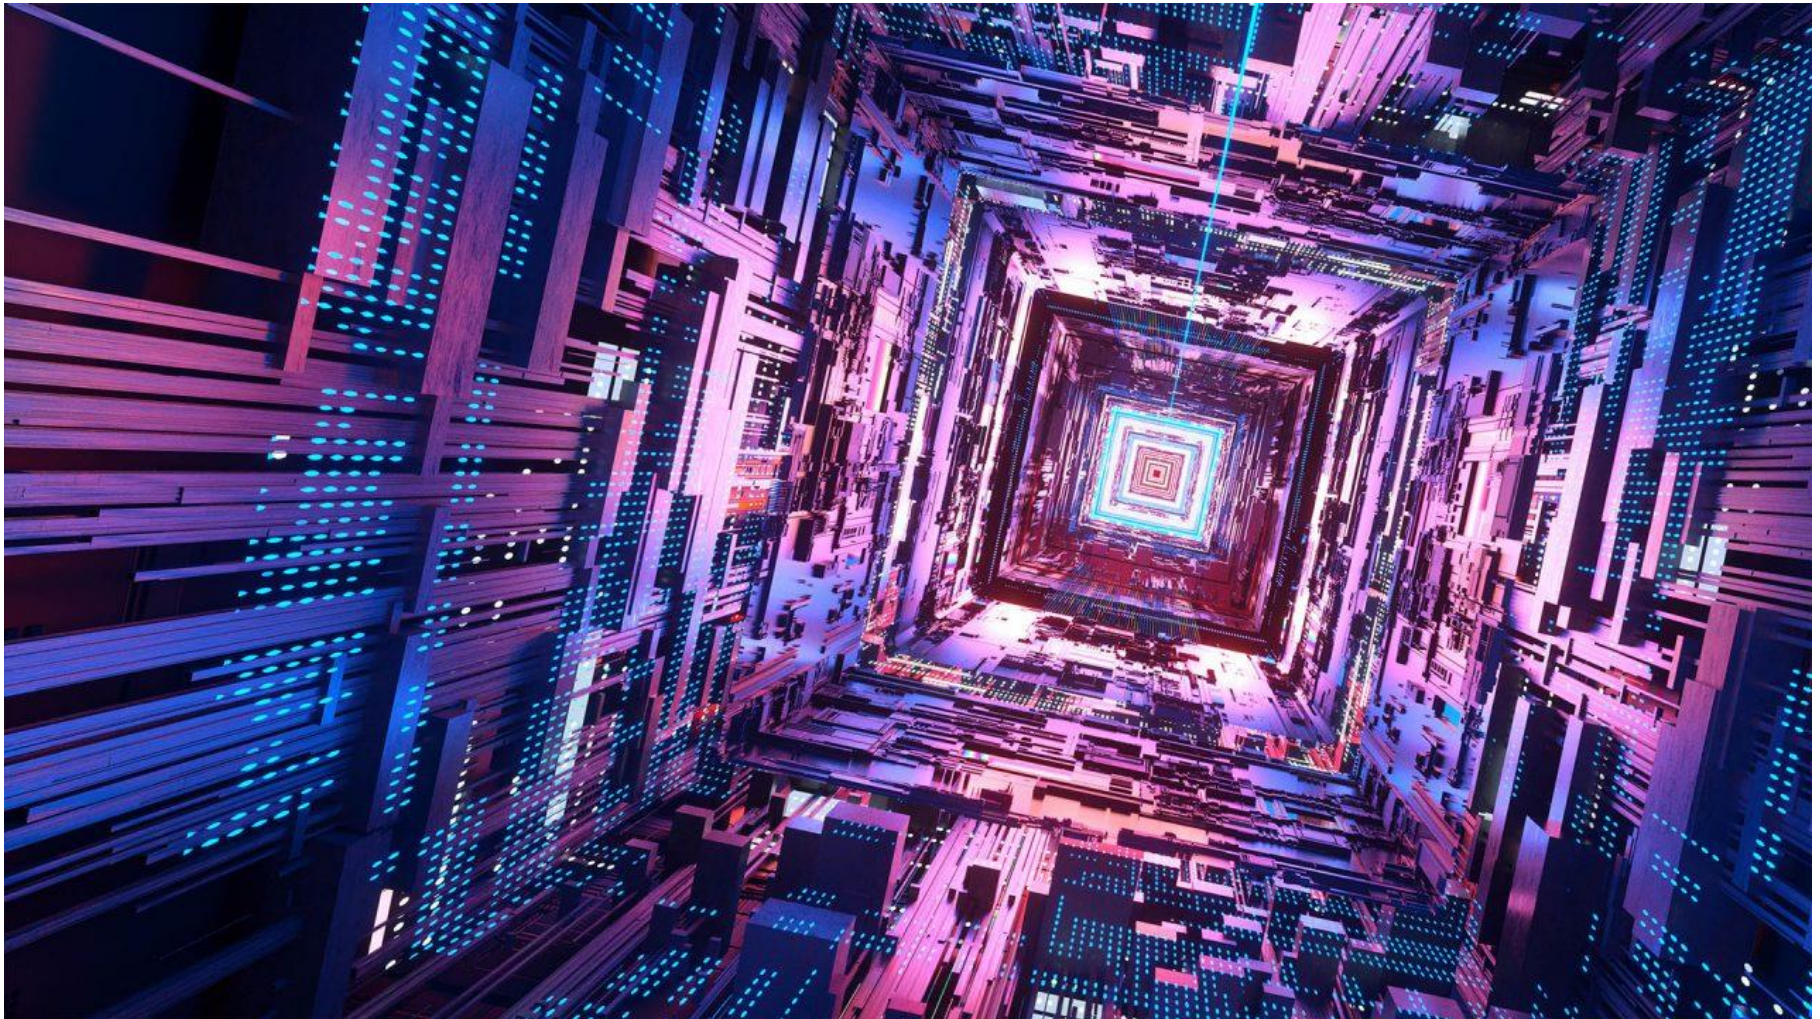

Don't be afraid to think outside the box
Dreams without goals are just dreams.

Denzel Washington

I would like to see a debate on the technical aspects, not just on the political balance.

Eg: the concept of impartiality in certification is completely different from that in the inspection or laboratory sector, flexible scopes, accreditation of sampling as a standalone activity, etc.

Each one teach one.

Denzel Washington

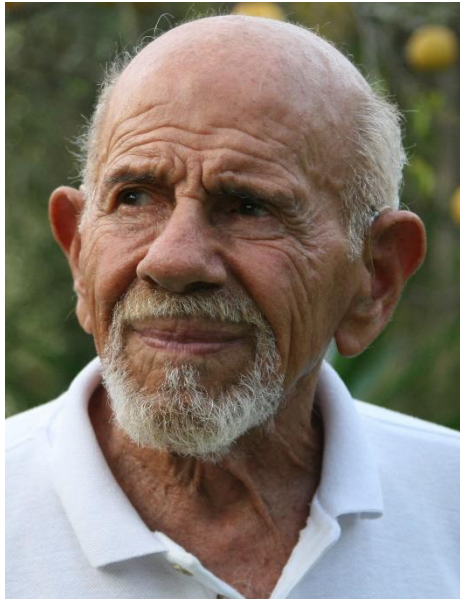

In the Roman Senate, at the time of the Republic,
sat the patricians (the nobles) and the conscripts (the plebeians).
The rules were written together.

Panic like the house is on fire

Greta Thunberg

Our problems are technical, non political

Jacque Fresco

We do not see discussion as an obstacle
on the way to democracy

Pericles
